STRUCTURAL BUILD

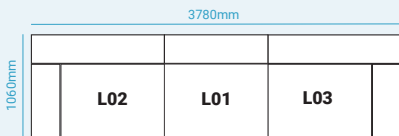

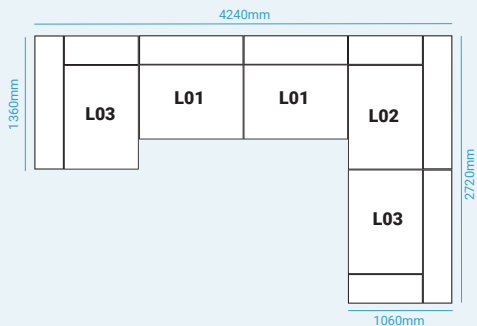

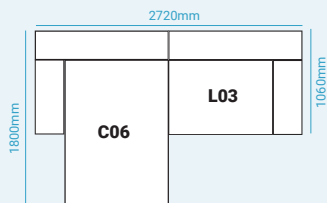

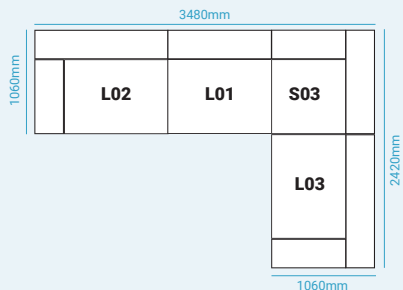

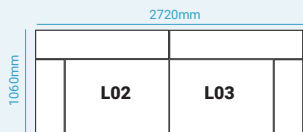

■ FRAME W SPRINGS ▨ FOAM

POCKET SPRING SUSPENSION:

Our Magnus modular sofa is crafted utilising our Australian made Pocket springs, offering a multitude of benefits for an unparalleled seating experience. Individually wrapped in fabric, these springs contour to the body's shape, ensuring even weight distribution and reducing pressure points for a cosy seating experience. Their durability ensures long-term usage without losing shape, maintaining the sofa's structural integrity, and therefore providing lasting comfort and satisfaction for users.
