Benefits

- Soft and luxurious natural fibre
- Requires no maintenance

-
- Quiltec provides excellent airflow and outstanding resilience
 - 95% Australian wool, provides superior thermal properties and temperature regulation
 - Support and comforting pressure relief

-
- Premium Quality Layers are used to obtain the three highest quality feels possible while creating continued pressure relief and support during the course of the night

-
- Interactive Coil Design designed to relieve pressure during the night and eliminate partner disturbance, with firm centre zone.
 - High density Australian made foam box stabilises spring unit whilst providing greater edge to edge comfort
 - Ventilated support layer increases air flow through the mattress core maintaining a more balanced temperature
-
