Specifications

Benefits

Fabric/Design:

- Sanitised Tencel stretch knit fabric

- Soft touch, natural and breathable requires zero maintenance

Quilting: All layers are Australian Made and Sanitised

- **Firm:** Quiltec, Visco, Conventional foams
- **Medium:** Quiltec, Visco, Conventional Foams
- **Plush and Medium:** Quiltec, Visco, Conventional foams

- Quiltec is a resilient quilting foam that promotes air flow, keeping your mattress more comfortable
- Ensures gentle pressure point relief for a plusher softer feel
- Conventional foams provide support and comfort

Comfort Layers: All foam layers are Australian Made and Sanitised

- **All feels have Visco Gel Technology**
- **Plush:** Premium quality Foams
- **Medium:** Premium quality Foams
- **Firm:** Premium quality Foam

- Visco Gel combines the luxurious feel of memory with cooling Gel technology. Ensuring pressure point relief while providing a balanced temperature throughout the night
- Premium quality foam layers are used to obtain the three feels, while providing enduring comfort and support

Support Layer:

- Australian Made five zoned pocket spring system manufactured by BedMaster
- Encased with high density foam ventilated foam box

- Interactive Coil is designed to relieve pressure during the night and eliminate partner disturbance, using One Steel Australian steel
 - Premium Quality High Density ventilated foam box helps stabilise the sleep surface, providing greater edge to edge comfort
-
