

BedMaster Robe

Features:

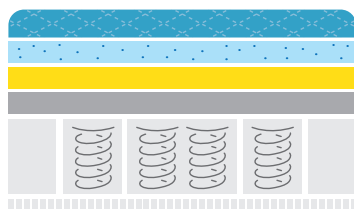

- Luxurious stretch knit fabric quilting panel.
- Premium quality Australian made foam quilting and comfort layers offering comfort and gentle support.
- All foams are treated with anti-microbial protection, providing freshness and long-lasting protection from mould and mildew.
- Includes foam designed to assist drawing heat away from the body providing a more comfortable night's sleep.
- Interactive 5-zone Pocket Springs, designed to minimize partner disturbance and provide support in all the right places.
- High Density foam box mattress surround to stabilize the spring unit and provide edge to edge comfort.
- A ventilated support layer increases air flow through the mattress core for a healthier night's sleep.
- Suitable for use on adjustable bed bases.
