

BedMaster Jumbuck

Features:

- High specification Australian made, **interchangeable foam comfort layers**, can accommodate two different feels on the same mattress. Zippered access to these layers enables the foam to be changed if one user prefers a firmer or softer comfort level.
- Suitable for use on an adjustable bed base.

Optional

- Two mattress core 'spring' styles:
 - 5 zone Australian made pocket springs, designed to minimize partner disturbance, with a firm centre zone providing support in all the right places.
 - Heavy duty Bonnell spring, supports up to 175kg per side.

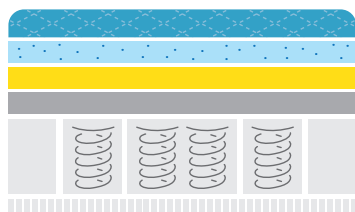

Available in:

Firm

Medium

Plush

10 YEAR WARRANTY

FABRIC: HealthGuard™ treated stretch knit fabric.

QUILTING LAYER: Premium quilting foams including Quiltec open cell foam and NuWool wadding.

COMFORT LAYER: Premium Australian Foams.

SUPPORT LAYER: Oscar Living 5-zone interactive coil design with high density foam box and ventilated support layer.

BedMaster Jumbuck

No two bodies are the same. Meet the Jumbuck – one mattress, two different feels.

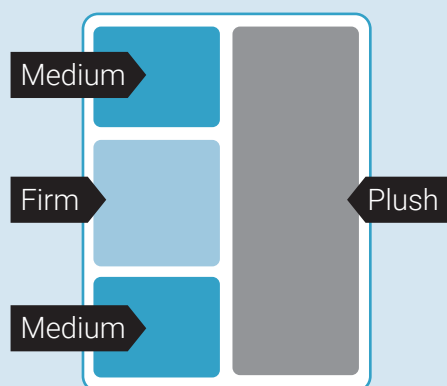

- Our different body heights, shapes, weights, wear and tear health issues all demand a personalised approach to finding the right Sleep Solution®
- Rarely does one mattress 'feel' suit the needs of two different height and weight people.
- The modular design of the BedMaster Jumbuck mattress allows each person to choose their own comfort level without compromise.

Example:

Bruce & Anne

With the Jumbuck Mattress, each person was able to **tailor their side** of the bed to accommodate their own comfort preference.

Bruce (50)

lower back injury,
required a firm
mattress to assist
recovery.

Anne (52)

prefers a softer,
more forgiving feel,
firmer surfaces
cause hip pain.

Result:

Better sleep, reduced pain, no compromise.
